## RULES + GUIDELINES

### GARBAGE COLLECTION

All garbage should be placed in a plastic garbage bag, tied securely, and placed in the refuse can in the storage shed. Trash and recyclables must be disposed of at a nearby trash and recycling facility or taken home prior to leaving. More information available upon arrival!

### BATHROOM & WATER

Toilet paper *only* in the commode. **NO** diapers, wipes, sanitary products, paper towels, etc.

**Please use water wisely.** There is a limited well water supply. Short showers, no car washing, no water hose fights!

### PETS

**NO PETS** without prior approval.  
Pet deposit may be required. Call for details!

### PARKING

Park vehicles in the gravel parking area directly behind the house (*2 cars only*). No parking or driving on the grass! Please don't spoil the view of the lake for the back cottage(s) by parking in open areas between the cottages. Guests should park on Watson Road or in public parking near the Stow Ferry Landing!

### DOCK & SWIMMING

**Dock usage and swimming at your own risk!**  
Water depth is typically less than 3 feet. **NO DIVING!**  
Keep in mind the water depth when using your boat—propeller damage can occur if you're not careful! Use the posts provided (*do not tie boats to dock*). Please respect the family boats moored at the dock.

### CAMPFIRE

The campfire ring is provided for your enjoyment. However, please contain your fires to the ring and cleanup after use.

### WHEN LEAVING

#### FOOD REMOVAL

When leaving, **ALL FOOD** must be removed from the refrigerator and cabinets.

#### CLEAN THE HOUSE

Finally, please leave the house as you found it or would expect to find it! Cleaning supplies, vacuum cleaners, etc. are available for your use.
